COSHH: Control of Substances Hazardous to Health

Please sign declaration **A** or **B** as appropriate. This declaration is required to meet Health & Safety Legislation and to maintain a safe working environment for our employees and carriers.
Failure to accurately disclose the requested information may delay the processing of your return and incur additional cleaning costs.

Declaration A

Confirming that the goods have not been contaminated with Process/Hazardous media or have been cleaned appropriately and are therefore safe to handle.

I declare that the goods detailed below are free from contamination by any Process/Hazardous media.

Signed:	**Print Name:**

Declaration B

Confirming that the returned goods may have been contaminated with Process/Hazardous media and that a copy of the relevant Material Safety Data Sheet (MSDS) with any necessary precautions for safe handling has been enclosed.

I declare that the goods detailed below may be contaminated with the specified Process/Hazardous media and handling precautions should be taken according to the enclosed MSDS.

Signed:	**Print Name:**
